- Ovals & Netball
- Play Areas,
- Bike Bay Covers
- Sports Shade
- Swimming Pool
- Basketball Courts

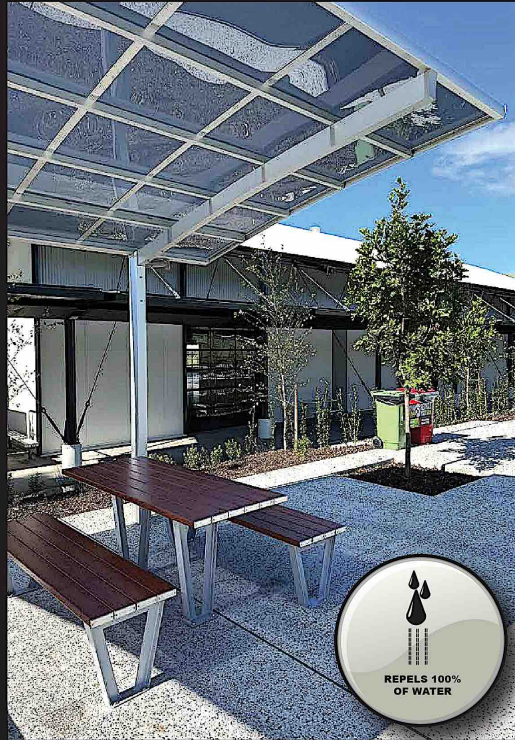

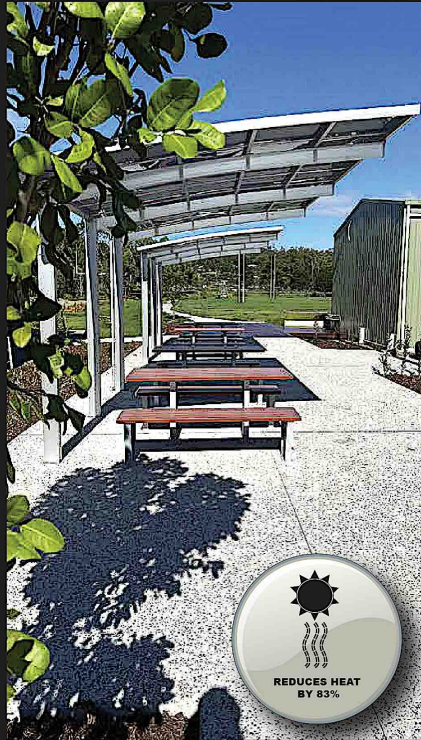

SCHOOL SHADING SOLUTIONS

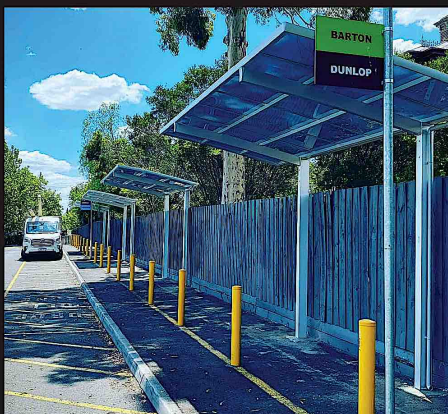

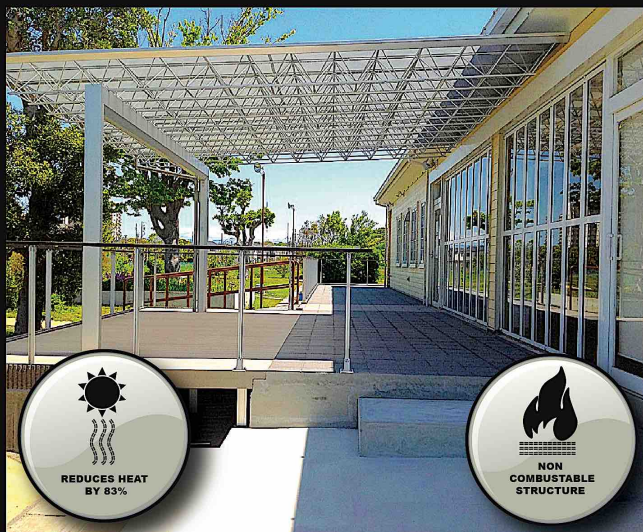

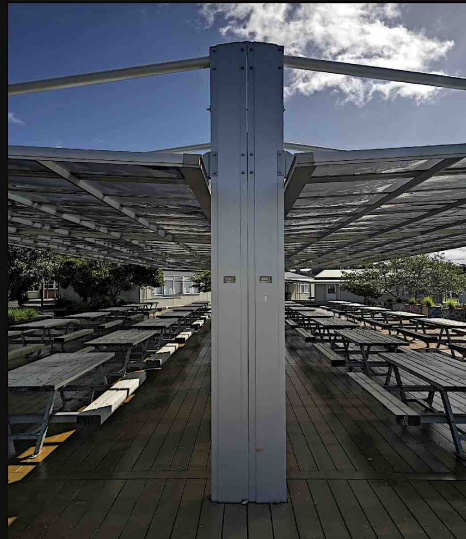

While schools have come a long way in adopting Sun Safe policies specific care and adequate protection from the long term effects of ultraviolet rays remains a significant challenge. Cantaport Shading Systems can provide the required shelter for Schools to ensure that their Sun-Safe policies are fulfilled.

The Cantaport single cantilever shade structure is great for a variety of purposes.
